

# RONNIE ROBINETTE

Travel Advocate and Consultant

## WHAT DO YOU THINK ARE THE BEST SKILLS THAT YOU BRING TO YOUR JOB?

I am a former travel RN so I think my personal experiences help me relate to the travelers I work with.

I research stuff a lot! I keep up with the industry and I know the competition. In addition to that, I love to teach, so prepare for our first discussion to be lengthy and to know more about travel nursing than you ever thought you would.

I literally work ALL THE TIME, I like to meet so people, and I LIVE for the day we will meet in real life!

## WHY DID YOU CHOOSE TO WORK AT SUMMIT?

I didn't choose the Summit life, the Summit life chose me! Lol

If I told you the entire story you would think I was a crazy hippie. But long story short I want to help create the most bad ass travel agency out there and that's what we are going to do! I believe in their mission and their values. The support they give the people who matter most which are their employees, internal and travelers alike. We are a family.

P.S. If you want to hear the story in its entirety give me a call!

## Tell us about your family.

We are Ronnie and Michael. You will almost never see us apart. We have 2 cats, Rocky and Little Kitty, and 2 dogs, Banjo and Merle. When we take Banjo out she is like a celebrity because she is a rare breed called an Alaskan Klee Kai. She loves the attention so if you see us out stop and talk to her.

We travel and move around a lot. We haven't been in the same place for more than a year in the last 6 years. I was a travel nurse for 4.5 years and can't give up the travel game.

Fun fact- Michael and I were on season 3 episode 9 of Skin Tight on TLC. After massive weight loss we applied for the show to have body reconstruction and made it on. It was a fun process BUT don't believe everything you see on TV. haha

## What do you like to do in your free time?

I like to travel, workout, read, and go to theme parks. I like to post inspirational posts on social media and truly help people through their journey in life.

## What would you sing at Karaoke Night?

I'll go to Karaoke with Becca so I don't have to sing, but if for some reason I am there without her, Michael and I would sing together lol. Our top choice is usually Country Roads by John Denver.

## What's your favorite movie?

It's a tie- National Lampoons Christmas Vacation & Home Alone. I've loved these movies forever and I will watch them 500 times a year.

## If you could only eat one meal for the rest of your life, what would it be?

Pizza is life. Period.
