

JOE PHILLIPS

Compliance Specialist

What do you think the best skills are that you bring to your job?

Besides being the fastest titer puller this side of the Mississippi?! Lol. Being able to handle multiple tasks at a time, staying organized, and get items completed ahead of schedule are keys to being successful in this role. I feel I bring a fun/comedic sense of humor to the team as well.

Why did you choose to work at Summit?

I chose to work at Summit because of the culture. I genuinely say that because the people you work with make all the difference. The experience of the team, relaxed environment, work flexibility, along with the laughter and everyone's individual sense of humor make working at Summit the best.

Tell us about your family:

I have a younger brother, Gus, and a younger sister, Ellen. I am a father to a bearded dragon, Puff. I have family that lives in Sioux Falls, SD (where I grew up) and in Olympia, WA.

What do you like to do in your free time?

I like to get drinks with friends, bowling, travel, relax at home watching movies and tv shows, play hide-n-seek with Puff... mainly me playing by myself as he just likes to watch the birds and cars go by and judge me from across the room.

What would you sing at karaoke night?

Total Eclipse of the Heart. I have a good Britney Spears and Christina Aguilera voice too so I might throw down some Hit Me Baby One More Time or Genie in a Bottle. AFTER a shot of Rumplemitz or two of course.

What's your favorite movie?

A recent movie I really liked is Let Him Go. All-time favorite movie is tough. I'll throw in my favorite tv series, The Sopranos.

If you could only eat one meal for the rest of your life, what would it be?

Always a hard decision... between taco pizza, a club sandwich, wings, wonton soup, chicken 'n dumplings.... I'd have to go with a club sandwich. Always a go-to when I can't decide.
