Summit is full of people who enjoy what they do and care about the employees. It's unlike any other company I have ever worked for and I have never felt like another number or cog

What do you like to do in your free time?

Between work, our 2 kids, ages 1 and 4, and owning and operating a gym on the side; free time is something I daydream about. But if I had some....I'd enjoy going to the Alamo movie theatre once in a while.

What would you sing at karaoke night?

The two greatest songs ever composed: Dr Hook's "Cover of the Rolling Stone" and Green Jelly's "Three Little Pigs"

What's your favorite movie?

I am still reeling from "Mad Max: Fury Road" not sweeping the Oscars. Total Masterpiece.
