

CAM GILLIAM

Travel Advocate & Consultant

What do you think the best skills are that you bring to your job?

I love meeting new people and being genuine in helping them out! I am a hard worker who will do my best to provide excellent service and treat folks how I would want to be treated. Travelers being comfortable and trusting me to assist them is my goal.

Why did you choose to work at Summit?

Working at Summit allows me to be part of a great culture, that involves putting the achievements of the organization and peers above individual rewards. The vision of the future of Summit is something I can get behind and is truly refreshing!

Tell us about your family:

I live in Tampa, FL, with my loving wife Kelly and beautiful daughter Ava. My parents and I grew up in VA, and they both retired to Florida after I lived here for close to twenty years. I think they are following me, which is okay because I love visiting them when I can!

What do you like to do in your free time?

When I have free time, I like to socialize with friends and hit golf balls into the woods/water, although that's not where I'm aiming. Being in Florida, spending time on the water or beach is a must.

What would you sing at karaoke night?

I would sing something simple like "Lime in the Coconut." I try not to overreach and sing a song that requires vocal talent. For me, less is more when it comes to Karaoke. It's in everyone's best interest that I take that approach. You may often hear dogs barking near the vicinity of the Karaoke bar, so there's that.

What's your favorite movie?

It's difficult to choose one movie. I guess I would have to go with Homeward Bound. A classic tale that involves a loving bulldog pup, a crazy Himalayan Cat, and a wise Golden Retriever who embark on a long trek through the rugged wilderness of the Sierra Nevada mountains in a quest to reach home and their beloved owners.

If you could only eat one meal for the rest of your life, what would it be?

Hmm, something light and healthy, so cheese fondu seems like a great choice.
